EXPERIENCE

University of California, Berkeley | Stage Manager (3 Productions) 2024–2025

- Stage managed three department productions, serving as the primary communication liaison between faculty, directors, designers, performers, and production staff.
- Coordinated rehearsal schedules, production logistics, technical rehearsals, and performances while collaborating directly with faculty as one of the department's student stage managers.
- Recognized for fostering a supportive rehearsal environment and helping resolve challenges through strong communication, organization, and interpersonal skills

Yocha Dehe Academy | Instructional Assistant & Theater Director 2025–Present

- Established the school's theater program, expanding its arts curriculum beyond music through theater education and production.
- Directed *The Wonderful Wizard of Oz*, overseeing auditions, rehearsals, blocking, costumes, and all production logistics.
- Invited to continue in a part-time virtual role after relocating, developing theater curriculum and directing future productions that incorporate tribal history and culture.

Sacramento State University | Fashion Marketing Instructor Summer 2026

- Taught high school students how branding, marketing, and presentation contribute to a successful fashion line while mentoring them through the development of original collections.
- Designed and directed the culminating runway showcase, overseeing music, multimedia presentations, runway flow, staging, and event layout..

YMCA | Lead Summer Teacher 2023–2025

- Designed and implemented curriculum while leading educational and social-emotional learning for a class of approximately 32 kindergarten students.
- Partnered with families and staff to support students' academic, physical, and emotional development.
